**RE: Globalink Research Award – Shastri Indo-Canadian Institute (SICI)**  
*for research in Canada*

**Project Title:** Quantum Gravity Constraints on Quantum Sensing  
**Host Academic Supervisor:** Saurya Das  
**Intern:** Kunal Pal  
**Host Department:** Department of Physics & Astronomy  
**Host Institution:** University of Lethbridge  
**Home Supervisor:** Tapobrata Sarkar  
**Home Institution:** Indian Institute of Technology Kanpur

Dear Applicants,

We are very pleased to advise you that your application for a Mitacs Globalink Research Award – SICI has been approved. Please refer to Appendix B for the specific funding details and terms and conditions of this award.

Mitacs Globalink builds a living bridge between Canada and international partners by establishing and reinforcing global links through student mobility. Mitacs has partnered with SICI to support the two-way mobility of students between Canadian universities and SICI. The Mitacs Globalink Research Award – SICI is an exciting initiative that provides the opportunity for faculty members and students at SICI Research Centres to build an international research network and undertake research abroad at Canadian universities.

All awards are subject to ongoing program eligibility and continuation of funding by our government partners. This award is offered in partnership with SICI. Mitacs gratefully acknowledges the financial support of the Government of Canada for their ongoing support to the Globalink program.

Please feel free to contact Grant Management Specialist Nicole Smith at [nsmith@mitacs.ca](mailto:nsmith@mitacs.ca) if you require further information.

Thank you for your proposal and welcome to Mitacs Globalink!

Yours truly,

Henry Ling  
Vice President, Research
