IITGN - IITK

Joint Symposium on

ENERGY TECHNOLOGIES

15 - 16 April

The symposium aims to bring together faculty of IIT Gandhinagar and IIT Kanpur to discuss areas of mutual interest in the domain of energy technologies. The event will provide a platform to present the current research areas and interests of faculty at both the institutes, leading to identification of potential joint research proposals and projects.

TOPICS

Energy Systems

Smart Grids

Solar Energy Technologies

Electrochemical Energy Storage

Clean Hydrogen Generation

SPEAKERS

Prof Anandh Subramaniam

Prof Anirban Mondal

Prof Ashish Garg

Prof Atul Bhargava

Prof Biswajit Mondal

Dr Gayatri Joshi

Dr Anupma Thakur

Prof Kabeer Jasuja

Prof Kanwar Singh Nalwa

Prof Lalit Pant

Prof Laltu Chandra

Prof Naran Pindoriya

Prof Raju Kumar Gupta

Prof Saumyakanti Khatua

Prof Sudhanshu Sharma
