Subject: FY2014-15 Revised Plan Budget

The Finance Control Committee in its 2014/IIIrd meeting held on May 08, 2014 reviewed Plan Grant received and expenditure made till March 31, 2014.

2. The committee's recommendation, that proposals pending approval and also those already approved by the competent authority in the previous FY2013-14 but where no expenditure has been committed may not be carried forward to the current FY2014-15, has been approved by the Director. Fresh approval may be sought for such proposals from Plan budget for FY2014-15 with proper justification. However, such purchase proposals in FY2014-15 will be considered only when additional funds are committed / released by the MHRD.

3. This is being issued with the approval of Dy. Director.

(Munish Malik)
